

place in English Music of the Twentieth Century was unique and second to none and I am glad to think that his name will be permanently inscribed in the Fellowship Roll.

Please accept from me this expression of sympathy from myself and the Company which is all the more real as Sir Edward's death cannot but affect in a personal way all the Members of this Company

Believe me

Yours very sincerely

Dear Sir

I thank you & the Livery of the Worshipful Company of Musicians most sincerely for your very kind expressions of sympathy on the death of my Father Sir Edward Edgar. I know how proud he was of being a Freeman of the Company & it is a source of great gratification to me to think that his name will be permanently inscribed on their Fellowship Roll.

Yours faithfully

Carice J. Blake
