The following letter was read from Mr. Lewin C. Cholmeley in reply to a vote of sympathy on the death of his son Lieut. H. V. Cholmeley

Dear Sir,

On behalf of Mr. Cholmeley my family and myself I beg to thank you for your most kind letter conveying the vote of condolence and sympathy of the Comtee of the Worshipful Company of Musicians on the death of my dear son. It is, as you say, an irreparable loss to us and one that would be almost unbearable but for our feeling that he died like a Man doing his duty for King and Country and in a most noble cause.

Of all the numerous messages of sympathy we have received yours would I think have pleased him most for he was very proud of being a Member of your Company and enjoyed most keenly all your gatherings. I am much touched to know that your kind vote was proposed by my old friend and School fellow Captain Chamier.

With heartfelt thanks, I am, Dear Sir

Yours faithfully

Lewin C. Cholmeley
