

We are informed that in reply to the Advertisements 1110 Forms of Particulars were sent out

15 Candidates presented themselves viz 9 for testing in Pianoforte playing 4 in Singing and 2 for Violin

Probably the high standard fixed and especially the requirement of Sight reading lessened the number of those who came up

We are glad to report that the knowledge and proficiency shown were generally satisfactory. Ability to read fresh music at sight so essential a part of the test in the case of several of the Candidates was particularly good

We recommend for the Scholarships:-

- (1) Miss Grace Emily Hawkins of 111a Clarendon Road Bedford aged 16
- (2) Master Lionel George Stanton of 2 Gordon Villas Hemel Hempstead aged 14

We mention for special commendation:-

Miss Elizabeth Weiss of 28 Fasset Square Dalston and

Miss Ethel Edith Belstead of 50 Basildon Road Plumstead

The decisions arrived at were unanimous

The Senior Warden and Dr W. H. Cummings were present at the Examination
