

Sir Homewood Crawford agreed that it was advisable I should go to Newcastle and negotiate I did so obtained quite satisfactory terms and settled all questions open This settlement is embodied in the further Agreement dated March 26th last. Copies of both Agreements are produced

The paper settled upon is good art toned paper 30 x 40 weighing 112 lbs to the ream of 516 sheets

A still thicker paper can be used for a small Special Edition if desired and a slight payment be made

It has been agreed that the Musicians Company its members and any one connected with the Music Loan Exhibition are to have the ordinary copies as prepared for the public at 3/- each and copies bound in half calf at 5/- carriage free

A Circular is to be issued by the Walter Scott Publishing Co. and it is hoped that a considerable number of copies will be taken by members for distribution

The book is now almost ready for the press and will be got out without delay

(Signed) Tho. Lea Southgate

April 24, 1906

It was proposed by the Master, seconded by Mr. F. Harwood Lescher, and carried unanimously that the Report should be received and adopted and that a hearty vote of thanks should be accorded to Mr. Southgate for his trouble in the matter

A letter was read from Sir Homewood Crawford suggesting that at least £25 towards the purchase of extra copies of the Lectures properly bound for presentation should be voted and on the proposition of the
