

Deposit Account of 1921, the Accounts having again been audited, at the Treasurer's own expense, by his Accountant.

He stated that he proposed to invest £400.

Mr. Deo suggested that a copy of the Account should be supplied beforehand to each member of the Court for their information and after discussion it was decided that a copy (without the Trust Accounts) should be sent to each member of the Court confidentially, and to be returned to the Clerk.

The Accounts were received and adopted and on the proposition of Mr. Alford seconded by the Junior Warden a hearty vote of thanks was unanimously passed to the Treasurer for his services and liberality.

A copy of the Accounts appear on pages 51 and 52.

St. James's Palace, S. W.

April 5<sup>th</sup>, 1927

Dear Mr. Sullivan,

The Prince of Wales has given careful consideration to the kind invitation which you extended to him on behalf of the Worshipful Company of Musicians.

His Royal Highness's programme for the forthcoming Summer has proved so difficult of adjustment owing to the fact that he has to leave for Canada considerably earlier than originally intended, that he greatly regrets that it is impossible for him to accept any further engagements during the months of May, June and July.

Believe me, Yours very truly

Herbert Sullivan Esq.
