Company of Musicians and to Mr  
Henry Eles, Past President; and  
to hope that Mr Eles and  
the Members of the Company will  
regard my wish to inscribe the  
work to them as in some small  
sense an expression of my gratitude  
to them for their kindness in all  
things relating to the Fellowship.

[And I certainly am extremely  
grateful to ~~you~~ yourself!]

But these nice messages will  
fall better on the ears of all  
concerned if you put them in  
your own better words!

With kind regards

Yours v. sincerely  
Hester Towells
