

Insurance on Plate

P. M. Sir Homewood Crawford suggested the advisability of increasing the insurance of the Company's plate having regard to the rise in prices and the matter was left to the Treasurer to deal with.

Court Fees
Fines & fees

P. M. Edggar raised the question of revising the payment of fees to members attending meetings of the Court and the advisability of raising the fine and fees on admission (1) to the Livery and (2) to the Court having regard to the rise in prices was also considered. On the proposition of P. M. Edggar seconded by Mr. J. F. R. Stainer it was unanimously resolved that both questions be referred to a Committee to consist of the Deputy Master, the Wardens the Treasurer and P. M's Hill & Edggar.
