Master's Hammer

The Deputy Master expressed his intention of presenting a Master's Hammer to the Company, and the design for such Hammer was inspected and much admired

Music Loan Exhibition

Mr A. H. Littleton presented the Company with another copy of the Illustrated Catalogue of the Music Loan Exhibition very handsomely bound and the copies for presentation to the King and the Prince of Wales were laid on the table and it was left to the Master to try and make arrangements to present these copies personally to the King and the Prince of Wales

On the proposition of Mr A. F. Hill seconded by Sir Frederick Budge it was resolved that the copy presented to the Company by Mr Littleton should be kept in a suitable glass case at Stationers Hall

The Clerk reported that the remainder of the copies had been distributed as instructed (ante p 100) and acknowledgments from all the Institutions to which copies had been sent were laid on the table

Orlando Gibbons
Bust

A letter was read from Canon Duckworth stating that the Dean of Westminster would not consent to any inscription being placed under the Bust of Orlando Gibbons in Westminster Abbey

Junior Warden

On the proposition of Sir Homewood Crawford seconded by Mr E. E. Cooper Mr A. H. Littleton was unanimously elected Junior Warden in the place of the late Rev R. H. Hadden and made the necessary Declaration

The question as to whether the newly imposed Wardens fine of £5. 5. 0 should be imposed under the circumstances was discussed and
