Your sub-committee further recommend that to avoid confusion for the future, a card index of the Livery be prepared upon which all necessary particulars can be entered and that the Clerk be instructed to make the necessary arrangements, the expense occasioned thereby to be borne by the Company.

On the proposition of P. M. Alford seconded by The Senior Warden it was resolved unanimously that the Report be adopted, but with the omission of the names of Mr. C. J. Powell and the late M^r L. W. Lodge from the list of the members of the Livery to be invited to join the Court.

A Vote of Thanks was passed to the sub-committee and to the Clerk for their work in connection with the report.
