Dear Mr Fenwick

I am much obliged by your letter respecting the Musicians Company Scholars I have taken note of same and will see that in future all possible information respecting the Musicians Company Scholars is given annually or whenever the Scholarships are awarded or renewed. It would be convenient that I should know at which Court the particulars of the Students will be presented as our competitions are usually held towards the end of June and it may be necessary to anticipate the ordinary date slightly in your case. I will also take care that when our prospectus is reprinted the Musicians Company Scholarships are described in accordance with the wishes of the Court

Yours sincerely
 H. Saxe Wyndham
