MUSICIANS' COMPANY.

T. C. FENWICK,  
CLERK.

Dear Sir,

I have been directed by the Judging Committee for the Military Music Competition of the Worshipful Company of Musicians to return the Score of the composition which you were good enough to submit, and to inform you that, out of the 119 pieces sent in, the Committee have only seen their way to retain twelve for final judging.

While thanking you for your

work, the Committee desire that I shall convey to you their expression of regret that they were unable to include it among the pieces selected for the performance.

When this has taken place, a notice of the award of the Five Prizes allotted will be published in the Press.

Yours truly,

T. C. Fenwick.

Clerk.
