Miss Muriel Janet Joyce Herbert the daughter of Charles J. J. Herbert  
L.R.A.M. of Montague House Sidmouth South Devon has since supplied  
satisfactory references to character and Certificate of Birth and subject to the  
Courts approval has accordingly been elected to the Scholarship and it is  
understood she has already commenced her studies at the Guildhall School  
of Music. From her previous record it seems clear that she is a most  
promising Scholar and D<sup>r</sup>. Cummings and M<sup>r</sup>. Southgate who were both  
present at the Examination were much struck by her ability and concurred in  
the selection made

It may be of interest to state that Miss Eveline Margaret Thompson  
the other candidate mentioned by the Examiners will in all probability be  
elected to a Corporation Scholarship at the Guildhall School of Music as  
from Christmas next on the recommendation of D<sup>r</sup>. Cummings

was at M<sup>r</sup>. Ernest Palmers wish that the Examination was pushed on so  
that the successful competitor might commence his or her studies at the  
Guildhall School of Music without delay
