

There is in the opinion of the Committee no necessity to further increase the fees for admission to the Court still in order to make the fees for coming on the Court assimilate in better ratio to those for taking up the Livery the Committee recommend that the Court fees be raised to £35.

2. That a month's notice be in future given of all meetings of the Court and Livery of the Company as far as practicable and subject always to the convenience of the Master for the time being.
