

M^r. Charles
Cheeseman

A letter was read from Sir Edward P. Thediger to the Acting Master enquiring if the Company would help Charles Cheeseman a wounded ex-soldier who had obtained a training grant from the Board of Education at the Guildhall School of Music which grant had been withdrawn after the first year on the ground of economy. The Clerk stated that a Palmer Scholarship at the Guildhall School of Music was vacant and P. M. Sir Homewood Crawford undertook to see Sir Ernest Palmer and ascertain if he would be willing for Charles Cheeseman to have the benefit of this Scholarship for two years so as to enable him to complete his musical education.

The Master
Sir Ernest Clarke

P. M. Sir Homewood Crawford reported that Sir Ernest Clarke although improved in health had informed him that he wished to be excused from election as Master in October as he was afraid he would not be well enough to accept the position.

Sir Wm Lancaster who stood next in rotation stated that he would have preferred, on account of his deafness, to have served the office of Senior Warden before accepting the position of Master, but on being pressed, he said he would leave himself in the hands of the Court.

Armourers &

The Clerk reported that at the request of the Armourers & Braziers Company, he had forwarded a copy of the Musicians Company Hand Book to be added to the Library of the Armourers & Braziers Company and his action was approved.
