My dear Sir.

21st March 1898

Musicians Company

Referring to our conversation of Friday last I should
be most happy to carefully inspect, on a house to house visit,
the various properties comprised in the Statement you were good
enough to hand to me.

My fee for so doing would be on the basis of Three
Guineas per day for the whole time occupied with out of
pocket expenses.

I should roughly estimate the time necessary
altogether at about three days.

In the event of my finding the premises,
or any of them, in such a condition as to render it
advisable to draw up Schedules of Dilapidations and to serve
