Prevention of  
Corruption Act  
1906

The Master reported that he had been asked to convene a conference to consider the provisions of the Prevention of Corruption Act 1906 (6 Edward 7 Chap 34) but had declined being of opinion that such a conference might be misconstrued. He had however considered the matter sufficiently important and urgent to authorise the preparation of a case to be submitted to Mr Horace Avory K.C. for his opinion which had been done by the Clerk. On the proposition of Sir Frederick Bridge seconded by Mr Lecher it was resolved that the Master's action be approved and that a copy of the opinion be circulated among the Members of the Court
