

Memorial Window
in Londonderry
Guildhall

A letter was read from Sir Alfred J. Newton a Governor of The Irish Society to M^r Alderman and Sheriff Cooper enquiring if the Company would be willing to fill in with stained glass a vacant Window in Londonderry Guildhall at a cost of £35 in memory of their association with the Fishmongers' Company in the Plantation of Ulster in 1613.

M^r Alderman and Sheriff Cooper produced a sketch of the proposed window he had obtained and said he would be willing to contribute £5 towards the cost and the Master, Treasurer and Sir George W. Truscott also stated their willingness to contribute similar amounts. After discussion it was pointed out that the Members of the Company generally might like to be associated with the gift and on the proposition of M^r Alderman and Sheriff Cooper seconded by Sir George W. Truscott it was unanimously resolved that an appeal should be made to the Livery for subscriptions to be limited to 5/- and the Clerk was instructed to write to Sir Alfred J. Newton stating that the Court would guarantee £35 to meet the cost of the window and requesting them to have the work got on with.
