

The actual Ceremony  
at 6.30., but that  
it would be very  
unwise for me to stay  
for the Dinner that follows.

In these circumstances  
it would be most kind  
if you would tell me  
~~what~~ what you (placing  
yourself in my position) would  
say in the short speech  
of thanks on receiving  
the Scroll from the

Master - even to the  
actual wording.

This may all  
sound strange to you,  
but in the present instance  
please regard me as an  
ignorant man. City  
Functions of this nature  
are unknown to me.

I shall not be offended  
in the least by the smallest  
detail!

To whom do I address  
myself?

Usual evening dress?  
Names of Master and  
Wardens? &c
