School of Music

The Senior Warden stated that Colonel T. B. Shaw Hellier a Member of the Court who annually gave a Prize of £5.5.0 to be competed for by the Students at the Royal Military School of Music Kneller Hall wished the Company to accept a sufficient sum of money upon trust to provide such a Prize with the necessary additional fees for a Judge of the same in perpetuity and that if the Company would accept such a trust he would have a proper legal document prepared

On the proposition of the Master seconded by Alderman Sir George Wyatt Truscott it was unanimously resolved to accept Colonel Shaw Hellier's offer with thanks and the Senior Warden undertook to communicate with him on the subject

Scholarships
Conditions

The Senior Warden ^(Sawyer) stated that it was becoming an objectionable habit of unscrupulous persons to invite Students who had obtained Scholarships to perform at Concerts and suggested that the Students ought not to be allowed to perform at such Concerts without the consent of the Principal of the School to which they belonged. Sir Homewood Crawford pointed out that a new condition to the holding of the present Scholarships could not now be imposed but that a condition could be inserted in future Scholarship Regulations that the Company Scholars should not appear in public without the previous consent of the Principal of the School to which they were attached. This was accordingly moved by the Senior Warden and seconded by Sir Homewood
