

CLARENCE HOUSE
S.W. 1

6th September, 1966

Dear Mr Lockett,

On the return of Queen Elizabeth
The Queen Mother to London I handed to Her Majesty
your letter of 15th August, together with the
photographs taken on that great occasion at
Fishmongers' Hall in July.

Queen Elizabeth is delighted with the
photographs and accepts with very real gratitude
those which you suggested Her Majesty might like to
have.

The Queen Mother has been graciously pleased
to sign the photograph recording Her Majesty's
presence at your little ceremony before dinner, and
this I am returning to you herewith accompanied by
an expression of Queen Elizabeth's very sincere
good wishes.

Yours sincerely,
Martin Gilliat.

G.D. Lockett, Esq.
