Accounts. The Treasurer suggested that in future the annual accounts should be presented at the April instead of the January Court stating that this would enable all the accounts due on the previous 31st December (and which could not be passed for payment until the January Court) to be paid and would give more time to get the accounts out and audited. The Treasurer's suggestion was approved and on the proposition of the Master seconded by the Senior Warden it was unanimously resolved that the accounts should be presented in future at the April Court.
