10 Mar. 1911

Dear Sir

I welcome heartily the proposal of the Musicians Company to place in Westminster Abbey a Memorial to S. S. Wesley

As you are aware, I have gone carefully into the question of site and design with Sir Frederick Bridg and the sculptor Mr Walker who did the very beautiful bust of Gibbons

The actual introduction of the Memorial cannot be brought about until after the Coronation and thereof you will have in due course to approach my Successor in the Deanery who will bring the matter of the customary Fabric Fee before the Chapter

I am glad to say that the Chapter entirely approve of my decision to admit the Memorial and I have no doubt that the new Dean will welcome it as I do

I am

Yours faithfully

J. Armitage Robinson
