

A Motion was made to examine the Beadle's Receipt of Quarterage &c.^o which was refer'd to the Committee to consider and report.

The Business of the Court being ended, the Master Wardens and Assistants dined with the Livery. After Dinner a Motion in writing signed Patrick Candron and Peter Bluck was read in the following Words,

"I move you that a true Copy of the Charter of this Company be printed and sent to every Livery-man of this Company."

Whereupon the Master Wardens and Assistants retired into an adjoining Room and, upon considering the said Motion, return'd the following Answer

"The Court having been adjourn'd at 3 o'Clock this day, we cannot enter upon the Question propos'd by M^r. Candron and M^r. Bluck before the next Court; in the mean time request that those Gentlemen will furnish the Master with their Reasons for the Motion, that he may lay the same before the next Court,

M^r. Candron reply'd that the Reason of the Application to have the Charter printed was with a View to discover what Powers were vested in the Court of Assistants, and what in the Livery at large.
