Co-ordination

of Musical

Establishments

Sub-committee.

The Master brought forward a proposal that a committee be appointed to examine the possibility of closer co-operation on the part of the Company with existing Musical Societies and Institutions and after discussion the following resolution was passed proposed by Past Master V. Allcard, seconded by Past Master E. B. Hoare:-

"That a committee be appointed to examine the possibility of closer co-operation on the part of the Company with existing Musical Societies and Institutions with the object of founding a central organisation to represent Music in Great Britain; that the committee consist of The Master (Sir Ian Malcolm), the Junior Warden (Sir Hugh Allen) and Past Master J. H. Stes who shall report if possible to the next Court"

Stationers
Hall

The Clerk reported that the Stationers Company now proposed that the rent be increased to £80 per annum for three years from 25th December 1934 and thereafter to £100 per annum.

The Clerk was instructed to inform the Stationers Company that the Company would pay £80 per annum provided they were not bound to continue the arrangement with the Stationers Company at the rent of £100 after the three years were over.

Halls.

The Clerk read a letter from the Horners Company suggesting that all the Livery Companies without Halls should make representations to the Corporation with a view to
