

Moved by Mr Bridge and Seconded by Mr Wood that the sum of Two Guineas be given to Mr Carr

Resolved unanimously

Mr Carr was then called in and £2.2 was paid to her by the Master

The Master informed the Court that he had received a Check from the Treasurer for the amount derived from Freedom and Livery Fines and that on attending at the Bank of England to invest the same he had ascertained that the death of Mr Thos Buckle Herring one of the Trustees had not been proved and consequently he was unable to make the investment. After some discussion as to filling up the vacancy it was resolved that the matter be adjourned for the present. Rob Philip Jones
