the breath is bad and the stomach looks at the tongue, mother! If you give a teaspoonful of this harmless "Syrup of Figs," and in a few hours all the undigested waste-matter, sour bile and indigested food passes out of the bowels. You have a healthy, playful child. When its little system is "stuffy" or "stagnant" when it has sore throat, stomatitis, diarrhoea, indigestion, colic—retention of stool—good "inside-cleansing" should always be the first treatment given.

Millions of mothers keep "Syrup of Figs" handy; they know that it is a safe and effective remedy. It saves a child from being ill to-morrow. Ask your chemist for "California Syrup of Figs," which is the best for babies, children of all ages and grown-ups printed on the bottle. It is genuine, made by "California Syrup of Figs Company," and sold by all leading chemists. 1s. 3d. and 2s. Refuse substitutes.
